## Success Story

The best tip for implementing a successful electric motor reliability program is...to listen to those who have already implemented a successful electric motor reliability program. Congratulations to Jeff Brasher and his crew at Southern Company's Miller Steam Plant for winning the Uptime Motor Testing Program of the Year for 2010. For more details on their motor reliability program go to our news page at <http://www.pdma.com/PdMA-news.php>.

To view Preventing Pump Failure, a case study submitted by Jeff, go to [http://www.pdma.com/webinars/Pump\\_Case\\_Study/Pump\\_Case\\_Study.html](http://www.pdma.com/webinars/Pump_Case_Study/Pump_Case_Study.html).

You are invited to submit an Electric Motor Testing Tip of your own and receive a free PdMA mug or hat if we publish it! Contact Lou at 813-621-6463 ext. 126 or [lou@pdma.com](mailto:lou@pdma.com).
