

Tip Of The Week

July 15, 2013

All Star Performance

Don't be satisfied with an average reliability program. If you focus on improving reliability, you improve the overall aspect of plant production, efficiency, and most importantly profitability. Set SMART Goals: **S**pecific, **M**easurable, **A**ction Focused, **R**ealistic, and **T**ime-Specific to assist in your improvement. Invest in and rely on the tools available to help you attain the goals set forth. In the end, you and your plant will be an All Star performer.

You are invited to submit an Electric Motor Testing Tip of your own and receive a free PdMA mug or hat if we publish it! Contact Lou at 813-621-6463 ext. 126 or lou@pdma.com.
