## Justification Series Tip #4...Save The Soda

By popular demand and in an effort to continue focusing attention on the successes in our reliability effort, we will add a success story each month or every other month to our Justification Series within the Tip of the Week. Tip #4 in our Justification Series describes a successful identification of a rotor bar defect including pre and post repair data in a Soda Ash Company. For details view *Soda Ash Company Saves* on our PdMA YouTube channel at: <https://www.youtube.com/channel/UC-cUONWaudkKReNwC0PPXMQ>

You are invited to submit an Electric Motor Testing Tip of your own and receive a free PdMA® mug or hat if we publish it! Contact Lou at 813-621-6463 ext. 126 or [lou@pdma.com](mailto:lou@pdma.com).
