Repair or Replace...Tax Incentives

According to the Govtrack.us website (<http://www.govtrack.us/congress/bill.xpd?bill=s111-1639>) the Industrial Energy Efficiency Incentive bill S.1639 is four steps away from the President's signature. If this bill passes what does it mean to you and your company? How about \$25/hp to the purchaser for the replacement of an older motor with a new premium efficiency motor and \$5/hp to the distributor with evidence of disposal. For a summary of the bill visit the Motor Doc's Hot Topics article in the November 2009 issue of Maintenance Technology which can be found at: <http://www.mt-online.com/component/content/article/259-november2009/1401-motor-docs-hot-topics-cash-for-clunkers-for-electric-motors.html>

For more details on how MCEGold software can help you with the decision to repair or replace a motor go to: <http://www.pdma.com/pdfs/Articles/WhitePapers/TheGreenSolution.pdf>

You are invited to submit an Electric Motor Testing Tip of your own and receive a free PdMA mug or hat if we publish it! Contact Lou at 813-621-6463 ext. 126 or lou@pdma.com.
