Dear Valued Customer:

Re: H-Series and P-Series Tester - Product Obsolescence Update

At PdMA Corporation we value our relationship with our customers and look forward to continuing our relationship with you in the future.

PdMA Corporation will continue to offer calibration services for H-Series and P-Series model testers. However, due to unavailability of replacement parts, PdMA Corporation has discontinued repair services for all H-Series and P-Series model testers.

We strive to provide the highest level of service and support to all our customers and apologize for any inconvenience this notice may cause. We remain dedicated to meeting your future test and measurement needs.

To best serve you, please direct all inquiries and requests on this subject to our sales ([sales@pdma.com](mailto:sales@pdma.com)) or technical support ([techsupport@pdma.com](mailto:techsupport@pdma.com)) departments.

Sincerely,

***Noah Bethel, CMRP***
